FAQs, Delivery, Premium Processing Services and Additional Charges

Production & Delivery

Production: We offer stock items that can ship same day if order is placed by Noon EST. Custom products can be shipped in 10 working days after we receive your approval and payment to begin production, if applicable. Air shipping charges may apply.

➔ **Air Shipping Weight Surcharges:** Specific awards are heavy and incur additional charges when shipped by air. For these items, the additional air shipping charge is \$200.00 for Second Day Air and \$300.00 for Next Day Air per piece.

Shipping: Shipments are made from our Missouri facility. When shipping an order to multiple addresses - a charge of \$20.00 per address applies to each order plus shipping. **We ship using UPS delivery services. Once a package is turned over to UPS, UPS terms and conditions of delivery apply to your order.** UPS requires a complete, valid street address for delivery; we do not ship to PO boxes. If UPS determines that an address correction is needed, or if a change of address is requested after package is enroute, additional fees of \$44.00 per box plus additional shipping charges may apply. Shipping from United States to Canada by way of UPS: All UPS shipments to Canada are subject to brokerage fees and are the responsibility of your customers. UPS will collect these additional fees directly from the customer. As part of the eBP (e-tailor Brokerage Program) with UPS, for residential shipments valued less than \$200.00 (X) CAD, you will be subject to a \$10.00 (X) brokerage fee (as well as applicable duties and taxes). For orders valued at over \$200.00 (X) CAD, regular UPS brokerage rates apply. Visit ups.com/us/en/supplychain/tools/surcharges/brokerage-general-rates. We will estimate shipping for Canada, Mexico and other locations outside the U.S.

Premium Processing Services, Returns & Payment

Premium Processing Services: Orders needed in less than 10 working days are subject to premium charges, as listed below. **Air shipping charges apply.** We reserve the right to refuse rush orders based on our production capacity. Premium processing fees apply year round. For orders received and shipped:

- 3-5 days, adds 20% of the total merchandise cost
- 2-day, adds 50% of the total merchandise cost
- Same day orders must be placed by noon EST, adds 100% of the total merchandise cost

Note: More production time may be required. During the months of May through July we may need longer to produce your order. Depending on the product you are ordering, quantity or complexity, some orders may require more production time. We will inform you of longer production times when you place your order.

Returns and Replacement Orders:

Due to the custom nature of our products all sales are final. All "Stock" merchandise may be returned with a restocking fee equal to 10% of the merchandise value. Custom printed or engraved products cannot be returned unless meeting the following criteria: We made a customization error or your awards arrive damaged. There are no returns on discontinued or clearance items. Returns will not be accepted without a return authorization number. Please call Customer Service (1-800-556-7652) prior to any return for return approval and a return authorization number. This number allows both you and Image Award Ribbons to track the progress of your shipment back to us.

Method of Payment: We accept all major credit cards. Because your order is custom printed, your credit card will be charged immediately when your order is released into production. Customers may request Net 30 terms. Contact us for an application and allow 3-6 weeks for processing. Prior to approval of Net 30 terms, payment in full is required to process your order. Due to the custom nature of our products, all sales are final. **Sales Tax:** We collect sales tax on orders shipping to any state where Image Award Ribbons is required to collect tax by law. To avoid the sales tax charge, please provide us with a copy of your Resale Certificate at the time your order is placed.

FAQs

Artwork: Please email your artwork to info@imageawardribbons.com. Our preferred file types are pdf, ai, eps, and png in 300dpi or higher. We can also accept jpg and jpeg, although they may not offer the best quality. If those are the only formats you have, we'll work with them. Artwork changes may result in additional charges. Please ensure all fonts are embedded. For full-color artwork, please provide a 3/8" bleed all around. Most designs typically require less than 10 minutes of artwork time. Additional artwork charges may apply at a rate of \$60.00 per hour or \$1.00 per minute (X).

Quotes: Written quotes for large or special orders are typically given within 24 hours. Complicated quotes may require additional time.

Dies/Logos: For hot stamp printing of custom logos/designs, specialty fonts, and extensive copy on a ribbon, dies are required. The cost varies but starts at \$100.00 and generally adds 3-4 working days to production. Once the die is made, there are no additional charges for orders of 25+ custom gold rim or satin finish rosette centers. Dies are kept indefinitely if used once within a 3-year period.

- Orders of fewer than 25 custom gold rim or satin finish rosette centers have a \$20.00 set-up charge for each order.
- Rosette center charge: The first change is free, and subsequent changes are \$3.00 each.

Samples and Proofs: Black and white hot stamped proofs are \$40.00 each when sent via e-mail or fax, and take 48 hours for you to receive. Artwork charges and die charges are extra. Actual proofs or custom samples mailed to you are \$50.00 each plus shipping and handling and take 72 hours to ship. Charges cover type casting, press preparation and heating time. We reserve the right to refuse orders for proofs or custom samples depending on production capacity and capabilities. Generic samples are shipped in 48 hours.
